**OUTDOOR SENSORY SCAVENGER HUNT**

**TO LOOK FOR**
- An insect. What kind of insect is it?
- Clouds in the Sky
- A Butterfly! What color is it?
- A Storm Drain. Do you know where this drain leads?
- Something Green that is not a plant!
- A Native Plant, such as an Oak Tree or a California Poppy. What did you find?
- 2 Different Types of Trees
- Something Yellow!
- A squirrel!
- A Spider Web. Why do spiders build webs?
- 3 Different kinds of leaves. Draw one of the leaves:

**TO FEEL**
- Water. Where did you find water?
- The Leaves of a Plant. Do the leaves feel soft, smooth, or rough?
- An Animal Home. What animal lives there?
- The Sun on your Skin
- A rock. Describe how it feels:

**TO LISTEN FOR**
- Birds Singing. Keep track of how many different songs you hear:
- The Wind brushing your face
- A Pinecone
- The Bark of a Tree. What does the bark feel like?

**TO SMELL**
- A Flower! Does it smell good or bad?
- Has it rained recently? Could you smell the rain?
